## ACCESS TO THE MARINA FROM THE SEA

Sheltered from all directions, but there is heavy traffic in the Tallinn Bay. From safe water WP1 (59°27.50' N; 24°44.28' E) steer to WP2 (59°27.32' N; 24°44.15' E). The harbour is protected from the east and west by breakwaters. The entrance is marked with light beacons: Fl R 3 s on the east breakwater and Fl G 3 s on the west breakwater.
